# Reign in Your Holiday Spending

The best way to avoid overspending this holiday is to create a spending budget and to start planning now!

*It's the Thought That Counts!*  
You don't have to spend big this holiday to show your loved ones you care about them! Homemade cards and crafts send a heartfelt message too — anything you can do to make them feel special.

## Organize Your Gift Giving

### ✓ Make a List

Write down all the people who you'll be giving to this season. Check it twice.

### ✓ Designate a Price Limit

How much works with your budget, and what will you spend for each person?

### ✓ Set a Deadline

When does that person need to receive their gift? Consider setting a reminder in your phone for when you need to place the order!

### ✓ Write Gift Ideas

Next to each name, list an idea for a heartfelt gift at the right price.

### *Pro-Tip*

#### **Consider a Separate Savings Account**

Next year, consider a separate account just for holiday gift shopping. Set up an auto-transfer from your checking account to this separate account to get closer to your goal.
